SAFETY: How to stay safe

Always drive with a licence.

Don't drive if you are sleepy, sick or don't see well.

Always tell someone where you are going.

NO ALCOHOL IN THE CAR.

Drive carefully and slowly.

Always wear a seatbelt.

Wear gloves if you are collecting a lot of grass.

Be careful with knives, axes and spades.

Collecting the grass

Prepare the car

Prepare the car:

- Check oil, water and tyres.
- Clean windscreen.
- Make sure there is a jack and a spare tyre.
- Take plenty of water, some food and matches.

Look for the grass

Look for green grass that is as tall as possible.

Collect grass

Collect the grass. There is no one way to collect grass.

- Chop it off at the base with a small axe.
- Dig it up with a crowbar or spade.
- Pull it up with your hands.

Pack grass

Pile all the grass onto a tarp or blanket.

- For driving, back in the car, wrap up the grass or put it in a large box or bag.
